### **Buck Ridge Year Number 61 and Counting**

September can be viewed as the beginning of a new year for Buck Ridgers. I want to thank Art Schwabenbauer who, as President for the last 2 years, left office with the Club in good shape. His energy, organizational skills and enthusiasm revitalized the Club. His term saw lots of improvements at the Lodge, the Blue Book and operating procedures updated, the 60<sup>th</sup> Anniversary celebrated, and current technology introduced.

It was gratifying to see 22 officers and committee chairs with some spouses arrive for the summer board meeting on a very hot July day. Among other business, we heard the names of several new members announced which is a good sign for the health of the club. Lodge use is up, trips were full and members enjoyed activities. This is what it's all about.

Don't miss the September Meeting (Wednesday September 6). We'll hear about all the ski trips that Dan Aronson and others have scheduled for the season, have the opportunity to get our reservations made, and begin looking forward to one of our favorite pastimes - just think what people miss when they never experience the exhilaration of skiing. We'll also hear about the fall bike trips Marviline Richards has lined up, hikes George Wiedersum has scheduled, rafting, canoeing or kayaking with Dan Jones and catch up on how other members spent the summer months. Also, don't forget the corn roast.

I mentioned the Lodge above. Remember how spectacular New England is in the fall and plan to get up there. Mel is planning a bike trip (September 15-18) or maybe volunteer for the work party weekend that Glenn Weisel is putting together, and combine service to your club, great food - Joe Sheffer is cooking - and fun. The work party is scheduled for October 20-22. If these don't work for you, plan your own Fall trip with fellow members, family and friends to check out the foliage, go hiking, browse antique shops, outlets, museums, etc., etc., etc.

I look forward to an active year for the Club and the Lodge. Suggestions are always welcome. Plan to participate and you'll be glad you did.

### PASSING ON

**DOROTHY E. HONS**, a long time member of Buck Ridge, died June 12, 2006 at Broomall Presbyterian Home where she had resided since 2004. Many members will remember how she loved to walk and led many hikes for the Club even into her eighties. She served as Activities Treasurer for many years.

She was born in Brooklyn, NY on August 8, 1910 to John and Jessamine Keutgen Hons. The family moved to the Germantown section of Philadelphia in March 1911 and Ms. Hons attended Germantown High School. She received a BS in Business Education from Drexel University in 1933 and a MS in Business Education from the University of Pennsylvania in 1939. She taught at Beaver College (now Acadia University) from 1933 to 1935. She then taught at Drexel University from 1935 until her retirement in 1975. She enjoyed extensive travel throughout the world and was a volunteer at the Philadelphia Zoo for 18 years.

### BILL VAN DINE - THE LONE SOLO CANOEIST

**BILL VAN DINE** died in February of last year in Delaware County at the age of 73. He was a carpenter and an Air Force veteran. He left a son David and a daughter Lisa. Services were private. That was all that appeared in Bill's obituary in the local paper.

The only thing that I knew about Bill was that he was an avid canoeist that paddled with Buck Ridge back in the late 70's and early 80's, but I hadn't seen him for years. He was memorable in that he paddled a 13 foot Grumman canoe in whitewater, an oddity at the time. And he did it very well. Seldom with a group, usually unaccompanied, and never in trouble. The world was him and the river.

I first saw him paddling the Yough. Any open solo canoeist was a rarity in those days. After paddling the Yough in a kayak for several years I thought it might be fun to try it solo in my 15 foot Grumman. It actually went well except for getting stuck on the rocks with my aluminum keel. I decided I needed a Royalex canoe with a little rocker and bought one of the first Royalex play boats - a Perception HD1. With this boat I became an avid solo canoeist. At this point I never did see much of Bill and I often wondered if he had ever gotten a more suitable craft. His son Dave says he still had his 13 foot Grumman when he passed away.

Bill had told his family that he wanted to be cremated and his ashes spread in the Lehigh River. Dave contacted me and asked me if I would help him in spreading the ashes in the Lehigh. I agreed readily as I have been telling my family that is what I wanted done.

Dave and I are planning to disperse the ashes in the Lehigh River on Saturday, September 16. There will be a water release on that day which will disperse the ashes readily. I will bring a raft to take family members down the river to White Haven.

This section is quite mild and seldom paddled except for beginner whitewater paddling instruction. The best thing about this location is that there aren't any commercial rafts on it. Friends and relatives can enjoy the river. We hope that many of the long lost paddling Buck Ridgers we haven't seen for years will see us there and pay their respects to Bill.

We will meet in the White Haven Shopping Center on Rte. 940 at 10 AM on September 16. Call me at 856-429-1585 to let me know if you are coming and I will give you directions and answer any questions you have.

## UPCOMING PROGRAMS & ACTIVITIES

### ANNUAL CORN ROAST

**DON'T MISS IT!!**

*SEPTEMBER 9, 2006 at LINVILLA ORCHARDS*

Buck Ridge Ski Club will hold its annual Swim and Corn Roast party at Linvilla Orchards on September 9, 2006, beginning at 2:00 PM. It's only June, but not too early to be planning your early Fall activities with the club. Each year Paul and Peggy Linvill make their lovely farm and swim club available to us for our party. If you're around on the weekend after Labor Day, plan to attend; you'll have a great time. Following are the directions:

From U.S. Route 1 near the Granite Mall proceed south on PA Route 352 to the 3rd traffic light. There is a sign for Linvilla Orchards at the traffic light. Turn right and proceed approximately one-half mile to Linvill Road (before the barn store). Turn right and proceed one quarter mile to road for pool, turn right and you're there.

Bring your swim suit, towel, picnic, and drinks; fresh corn from Paul's fields will be provided. We welcome help with the husking chores. Cost is \$2.00 per adult, \$1.00 per child under 12 years of age. Call Jalna Schuler at 215-848-5247 to confirm your attendance; we need to know an approximate headcount for planning purposes.

### FALL ACTIVITIES ON THE LAND: HIKING FALL HIKES BEGIN ON SEPTEMBER 20

The seasons will be changing soon, bringing flaming foliage and hopefully followed by snow, so why not come out on some of the hikes? These cover about five miles over fairly easy terrain, so are within the ability of almost everyone.

The meeting place for all hikes is the Value City parking lot at rtes 320 and 420, one half mile north of the club meeting place and convenient to Exit 5 of the Blue Route. We leave at 9:30 sharp; bring lunch and water. Wear comfortable shoes and socks; sneakers are not suitable for some trails. Wear clothing appropriate for expected and unexpected weather.

Contact George Wiedersum, 610-358-5891 with any questions or to confirm attendance, unless another trip leader is noted. Here's the Fall schedule:

ON THE WATER: CANOE, KAYAK, & RAFT

The weather is still good for boating. Philadelphia Canoe Club has a full schedule of boating activities members may participate in. See the PCC web site (www.philacanoec.org) for details or contact Dan Jones (856-429-1585) for information.

A Lehigh release is scheduled for September 16, and Dan will be leading a memorial paddle for Bill Van Dine. See page 3 for Dan's tribute to Bill and details.

The editor has been running sea kayak excursions along the lower Delaware River and Bay, sometimes with dolphins! Contact Mike Fernandez (856-467-5189 or email amf72@verizon.net) if there is interest in a trip.

Paddling in from the past...

The following poems were sent in by Edith McNair, who found them while going through Bob McNairs's papers. She is not sure where or when they were written, or even by who, but they are probably Bob's. For those who did not know him, Bob was an avid paddler who was instrumental in the clubs' involvement with boating. He was also a fine cross county skier! -ed

Realization

9:00-11.30  
Out in the middle now,  
Now, more to port.  
This time we scrape the keel.  
Oh, what a sport!  
Then o'er the gunnels  
Water pours in.  
Time to bail the boat out  
We're wet to the skin.

11:31 Sat - 12.30 Sun

Sad, sad story  
Canoe hits rock.  
Long, hard rescue  
Shivers and shock.  
Canoe under water  
Rain in the sky.  
Away from the Lehigh,  
Silly paddlers, fly!

Canoeing on the Lehigh

Launching 8:50 am Sat Apr 22  
Week-end in April  
River running high  
Canoes on the water

Sun in the sky  
Ice on the mud puddles  
Birds in the trees  
Red maples budding  
Happy paddlers, we.

Off down the Lehigh  
Riding the waves  
Flashing by rocks.  
Ah, we are not slaves  
Bound to the galley  
Bending an oar;  
Gaily we plunge along  
Asking for more.

Anticipation

Content and weary  
At the close of day  
We'll enjoy our dinner,  
Sing and 'hit the hay'.  
What memories will linger  
When these days are done  
And back to work we go  
Thinking of our fun.

LOOKING AHEAD TO WINTER SKIING SCHEDULE

The snow has not started to fall yet, but this year's ski schedule has been finalized and it looks to be a full one. In addition to our western trip to Alaska, there are six scheduled trips to the lodge and extended or week-long trips to Jay Peak, Sugarloaf in Maine, and northern Vermont for downhill & backcountry skiing in the Bolton Valley / Mad River Glen area. More details to come.

You may note that the Eastern PA Ski Council Winter Carnival and the Council Cup race (February 25 at Blue Mountain) are missing from the BRSC schedule this year. The Winter Carnival is still on for Jay Peak on January 24 thru 28. These dates conflict with several other BRSC trips, and we will also be running our full week trip to Jay later in the season. Members can still attend these functions by signing up with another club or with the EPSC meltingpot group. Watch for details in the EPSC Snow Drifts or contact an EPSC representative.

WOODBRIIDGE LODGE WORK PARTY - OCTOBER 20 - 22, 2006

One of the benefits members get to enjoy year-round, not just during ski season, is our Woodbridge Lodge in Vermont. However, it takes some work to keep it up, so think about joining the upcoming lodge work party!

This year's work party will be scheduled Friday October 20 - Sunday October 22. Join us for the weekend, have a good time and help Buck Ridge Ski Club maintain our Woodbridge Lodge. If you prefer, you may stretch your weekend as many of us do - Thursday - Monday or whatever fits your schedule.

There will be no bosses at the work party. We are there as club members to work together on a volunteer basis and maintain our lodge while enjoying the weekend with fellow club members. Don't be afraid to try a new project - you will learn something new while helping. For evening activities, Adams Farm will be having a Saturday night hayride and Halloween bonfire.

Joe Sheffer will return as our chef for the weekend. Food costs are divided among the participants and usually equal approx. \$25 per person. All workers are rewarded 2 chits (nights) per day worked to be used in a period of 2 years from the issue date and can be used as credits on lodge trips or individually.

**SUMMER SLIPPING BY... BRSC RAFTING TRIP 6/24/2006***Lots of good water, Everybody got wet, Nobody capsized*

On Saturday, June 24, 2006, three Buck Ridgers and a guest met under the I-80 bridge in White Haven, PA, for a short rafting trip down the Lehigh River to the takeout at Rockport, PA. Participating were Dan Jones, the trip leader, Larry Hardin, our Vice President, Bill Rogers, our guest, and yours truly. Dan, Larry and I manned Dan's really good raft while Bill went solo in his one-man "ducky", a small inflatable boat. After preparing the rafts for use and strategically placing Dan's car at Rockport for the return trip, we cast off around 10:00 AM. The river was absolutely perfect, with plenty of free-flowing rapids to add to the excitement. Weather was overcast which made for a perfect, not too hot day. The scenery along the

Lehigh through the gorge is beautiful, the rhododendrons were about finished blooming but we did see a large mountain laurel in full bloom. We also sighted several Canada geese on the islands in the river, and the ubiquitous kingfishers were with us all day with their chattering flights over the water.

We took a welcome break for lunch at, where else, "lunch rock". This is a very large flat rock area on the Eastern bank of the river which is a favorite stop for just about everyone who goes down the river. We had several dozen kayakers and rafters as company while we were there. After lunch we got back on the river and finished our trip about 1:30 PM, much sooner than we had anticipated. Our early finish was due to fast pace we were able to achieve through the Lehigh's many stretches of rapids which were flowing more freely than usual.

After getting off the river, we adjourned to Hannah's Ugly Mug in White Haven for more lunch accompanied by some liquid refreshment. I was personally pleased that I didn't get thrown out of the raft, despite Larry's repeated attempts to eject me by making really abrupt turns during our "eddy turn" and "peel out" lessons. Sorry, Larry, maybe next time.
